Workshop 6: Co-producing better research to improve outcomes for family carers and people with learning/developmental disabilities

Workshop Facilitator: Tizard Family Carer Research Alliance (Jo Griffin, Keith Wyncoll, Rasha Hafidh, Nick Gore, Mary Spence)

Time: 14.35-15.35

The aim of this workshop is to: discuss the importance of co-production of research with families to deliver good outcomes and achieve maximum impact.

The objectives are to:

- To discuss what is currently happening in this area and where co-production could be better included to improve outcomes;
- To discuss existing opportunities for the Tizard FCRA to enhance current or planned projects;
- To discuss how the CB-NSG/others can feed into and support the work of the Tizard Family Carer Research Alliance (including funding);
- To help identify priority areas for family carer research
