The NW PBS Network Salford City Council **NHS**
Salford

- The network started out in September 2008 with approx 20 member at the first meeting
- We have since held 7 further events where attendance has grown to 112
- In total we have 230+ members on the network distributions list from all services and ranges of backgrounds from across the Northwest and a few from over the borders
- It is planned to have 2 events per year 15th March 2012 and 12th September 2012

Salford

- At the events we have guest speakers who are able to talk about PBS and it's associated subjects i.e. risk assessment, HR, reducing restrictive practice, children's services
- We also had Viv Cooper from CBF, Prof Jim Mansell, Neil Allen, Prof Chris Hatton,
- Peter McGill is presenting in March 2012
- Prof Eric Emerson will be one of the speakers in September 2012
- We have also delivered a 3day course for first line managers
- In total 27 managers from across the NW from LA, PCT and independent sector
- This will allow the cascading of good practice to hands on staff i.e. if each manager has 10 staff then will can influence 270 staff from the first course
- We also have people supported helping deliver this training
