

making a difference to the lives of people with severe learning disabilities

To be **ambitious** - have meaningful opportunities to achieve, learn and change

To live in **safe, accessible**places - at

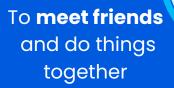

home and in the

community

With **staff** who know them well

Support young people...

To **communicate** - understand individual communication and provide a range of methods, and staff to support this

To make choices and influence decisions

With **advocacy** from family and other important people

making a difference to the lives of people with severe learning disabilities
