

Support young people...

To be **ambitious** -
have meaningful
opportunities to
achieve, learn and
change

To live in **safe,**
accessible
places - at
home and in the
community

To **meet friends**
and do things
together

To access
healthcare with
reasonable
adjustments

With **advocacy**
from family and
other important
people

To make **choices**
and **influence**
decisions

To **communicate** -
understand individual
communication and
provide a range of
methods, and
staff to support
this

With **staff**
who know
them well
