

What Matters to Me

What did we find?

Finding out What Matters: Principles of Meaningful Engagement

Principles that are important to be considered and followed to engage in a meaningful way with young people with severe or profound and multiple learning disabilities

Using What Matters: Circles of Influence

Exploring the significance of meaningful engagement and its ability to drive change at various levels, from individual services to systemic reforms.

Influencing What Matters: Transition to Adulthood

The findings show what was important for young people at this stage in life. This included the support, services and provision needed to help young people access what matters.
